

## KEY FEATURES

- Founded on the science of behavior
- Quick and easy course development
- User personalization
- Engaging visual content
- Simple navigation
- Mastery, fluency, and refresher drills
- Individualized and dynamic subgoals
- Corrective feedback and review cycle
- Frequent feedback and reinforcement
- Community forum

### ADMINISTRATOR FUNCTIONALITY

Each assigned company administrator receives an administrative page with access to the following privileges:

- Adding new courses
- Adding and managing users, instructors, and groups
- Help section administration of user and instructor questions

### LESSON TYPES

#### True/False

**Multiple Choice** with one or more correct answers

#### Image Questions

Select the correct image

Answer a question based on an image

#### Sequencing items

**Precision Tagging:** Click directly on a portion of the image to answer

#### Fill-in-the-blank

### INSTRUCTOR FUNCTIONALITY

Company administrators can assign instructors to each Blitz training course. Instructor privileges allow for:

- > Developing and managing assigned courses, modules, and lessons
- > Developing and/or uploading study materials for each module
- > Viewing users for an instructor's assigned courses
- > User report access detailing login dates and times, course assignments, course performance, individual trend graphs, and lesson analytics
- > Blitz Community access to view your company Leaderboard
- > Blitz Forum access to post and reply to discussion topics
- > Help section access for responding to user questions

## ADDITIONAL FEATURES

**BLITZ HOMEPAGE:** Allows users to view information on:

Company usage statistics:

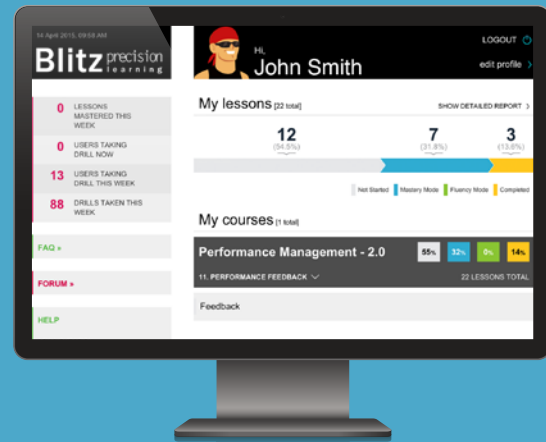

- > Number of lessons mastered this week
- > Users currently taking Blitz drills
- > Users taking Blitz drills this week
- > Total number of Blitz drills taken this week

Individual usage statistics:

- > Progress in assigned courses, modules, and lessons is visually highlighted
- > Performance trend graphs are available for each lesson

**LEADERBOARD:** Allows users to see how their performance compares to the performance of their peers.

**HELP SECTION:** Allows users to ask questions directly to their Blitz Instructor and Blitz Administrator. Instructors and administrators can respond through the Blitz platform and track conversations to help troubleshoot and organize user and instructor questions.

**DISCUSSION FORUM:** Provides a way for users, instructors, and administrators to communicate across topics and across groups, helping to provide quick information to company users and promote discussion between peers.

## TECHNICAL FEATURES

Easy integration with most LMS platforms

Allows video, PDF, and all MS Office files as study materials

Compatible with Mac and Windows browsers

Functions on computers, tablets, and smartphones
